Print Reference of 5"x4" image on left hand side	Description of Image ¹	Colour or Sepia

Print Reference of 5"x4" image on right hand side	Description of Image ¹	Colour or Sepia

A typical turnaround on a winged folio order is 4 weeks but this time may extend around Christmas, New Year or peak periods if the lab is especially busy

¹ When writing a description of the image, please use a description to distinguish it from other images, to help us with double checking and cross referencing, e.g. "statue in top left corner" is more useful than "bride and groom" as there are typically many pictures of a bride and groom amongst wedding pictures.
