Email	david@ddpweddings.co.uk	
By phone	0115 877 0609	
By tram	We are a short walk from the Wilkinson street tram depot	

SatNav

Some visitors find that they overshoot our postcode when using SatNav systems. We recommend that SatNav drivers use NG8 5ET to get to Newport Drive. This is the side turn before our address. It is easier to drive slowly down the cycle path from here than to do a u-turn on the dual carriageway. However, we are on the main road, on the address to the left. On TomTom we have found that we are about midway between the two postcodes but you need to put this one in first.
